MTSS 

Grades 3–8

Math & ELA

On-Level Rigorous Standards-Based Instruction with Guided & Independent Practice

New York Performance Coach and New York Coach Practice Tests provide students with standards-based instruction and practice to support their success on the New York State assessments.

New York Performance Coach™

Providing direct instruction that prepares students for success on the New York state tests, New York Performance Coach™ is aligned to the **Next Generation Learning Standards** and uses a gradual-release model with essential practice and detailed teacher support. New York Performance Coach enables the implementation of standards-based instruction and essential practice for **on- and above-level** students to practice and prepare for the rigor of the New York State assessments.

New York Coach Practice Tests

Full-Length Practice Tests Modeled on the NYS Tests

The ultimate source for test practice, these assessments measure content that aligns to the rigorous **Next Generation Learning Standards**. Students will build familiarity with material and question types and get plenty of review before test day. New York Coach Practice Tests let educators easily assess student progress and identify weak areas that require further instruction.
