

PENNSYLVANIA COACH®

Supplemental Instruction & Practice in ELA, Math & Science

Raise the Proficiency of Your Pennsylvania Students to a Higher Standard with Coach

Pennsylvania Coach Digital Compass®

Fully Online, All-in-One, Standards-Aligned Instruction, Practice, and Assessment

Total Curriculum Support for all Learners with Proven Coach Content

Pennsylvania Coach Digital Compass® Enhanced provides complete curriculum support in ELA and math for reteaching, reinforcement, and remediation for all learners. This 100%-online program includes a Pennsylvania standards-aligned content library, customized assessment and assignment builder, as well as actionable reporting.

Supplement Core Instruction with over 4,500 Standards-Aligned Resources

The Coach Digital Compass Enhanced Library gives educators easy access to a comprehensive collection of Coach books and resources to assign as lessons. This digital resource provides unrivaled depth and breadth of standards-aligned ELA and math content for teacher-led or independent student learning.

Create Custom Assignments and Assessments

With more than 6,400 questions, the Assessment Builder offers the power and flexibility to build custom assignments and assessments that meet classroom needs. Using the tech-enhanced item types, you can create assignments from any grade level to target student learning gaps and prepare students for Pennsylvania state assessments.

Keep Students on Track with Actionable Reporting

Actionable reporting enables educators to see what standards need more attention from a class or student and suggests which library resources will help students who fall below the score you set for any assignment.

NEW! Progress Report shows student proficiency over time.

Ongoing Support Makes Implementation Easy

Onboarding and ongoing educator support provides essential assistance to ensure a simple and sustainable implementation at your school. Additional professional development is available to provide practice and effective strategies for navigating between foundational and grade-level skills, filling students' skill gaps, aligning lessons to meet the needs of your students, and more.
